

Exam Blueprint – Certified Domestic Terrorism

Below is the exam blueprint based off the job task analysis, SME, and ISP psychometric process to verify reliability, validity, and fairness. The tables below identify the proportion of questions from each domain and passing score that will appear on the assessment. The assessment will include the application of concepts, knowledge and comprehension, definitions, synthesis, evaluation, development of conclusions, ideas and recommendations for action based on hypothetical situations.

Domain	Percentage of Items on Test	% of exam questions	Number of Questions (100)
Introduction to domestic terrorism	18	18	18
Methods and strategies	20	20	20
“Lone Wolf” terrorism	10	10	10
Extremism and known extremists	12	12	12
Counter-terrorism strategies	20	20	20
Anti-immigration extremism	20	20	20
		Passing %: 80	Passing Score: 80%
